Memorial Stadium - One Brick at a Time

Memorial Stadium began as a veteran's memorial commemorating those lost in World Wars I and II. The vision of a true memorial was never completed, and the brick archway is the only remaining evidence honoring those who made the ultimate sacrifice. As a community, we have the chance to properly honor those who answered the call to service, those who worked and fought under trying circumstances, and those who gave their lives for the cause of freedom.

You can join this dignified effort to memorialize our nation's heroes by purchasing a personalized Memorial Stadium brick paver in either the Veteran Memorial Walkway or in the Donor Courtyard.
