Department: Building Safety

Position: Tradesworker II 9902122

Date Posted: 3/13/2012 **Deadline:** 3/27/2012
Weekly Hours: 40 **Shift:**
Salary: $13.86 **Full / Part Time:** Full Time

Requirements Become a member of an elite group of employees who maintain all City facilities. Excel in your ability to work on a variety of HVAC equipment. Many of our buildings are historic in nature and can provide you a challenge rather than the run of the mill maintenance. Our work environment is supportive, with opportunities to advance and excel. You must have: 2+ years of practical commercial HVAC experience; diagnostic skills for troubleshooting and repair of commercial air conditioning and multi-zone heating, and boiler and chiller equipment; knowledge of basic electricity, and electrical and solid state control systems; ability to work independently; ability to read and follow controls/wiring diagrams and schematics; ability to solder/weld/braze and perform minor field fabrication for HVAC; ability to service and/or clean commercial HVAC equipment. Must have valid NC driver's license and CFC Certification, or ability to obtain, through the NC State Board of Refrigeration Examiners.

Department: Civic Center

Position: Concessionaire/Runner

Date Posted: 2/17/2012 **Deadline:** 3/20/2012
Weekly Hours: Varies **Shift:** Varies
Salary: $7.25 **Full / Part Time:** Temporary

Requirements This is a temporary/seasonal opportunity working with the Asheville Civic Center. The concessionaire will work a variety of events serving the public to include nights, weekends, and holidays. Customer service and interpersonal relationship skills are required to effectively communicate and assist the public and coworkers. This position must follow alcohol policies and laws as well as utilize safe food handling procedures. Proper safety techniques in handling concession supplies and equipment are a must.

The minimum qualifications include: money handling experience; skill in operating cash registers, credit card machine and a variety of food service equipment; and ability to learn responsible beverage techniques including North Carolina Alcoholic Beverage Commission (ABC) and Alcohol Law Enforcement (ALE) laws and regulations to properly pour beer and safely serve the public.

Position: Concessions Stand Manager 9902121

Date Posted: 2/17/2012 **Deadline:** 3/20/2012
Weekly Hours: Varies **Shift:** Varies
Salary: $9.56 **Full / Part Time:** Temporary

Requirements This temporary/seasonal position will give the right person an opportunity to train and supervise stand workers and volunteer groups in all aspects of concessions' work. Customer service and interpersonal skills are required to serve the public and work efficiently with coworkers. Shifts will depend on events and will include nights, weekends and holidays. Following alcohol policies and laws as well as using safe food handling procedures are required.

The minimum qualifications include: supervision skills; money handling experience; skill in operating cash registers, credit card machine and a variety of food service equipment; and ability to learn responsible beverage techniques including North Carolina Alcoholic Beverage Commission (ABC) and Alcohol Law Enforcement (ALE) laws and regulations to properly pour beer and safely serve the public.

Position: Solid Waste Manager

Date Posted: 3/13/2012 **Deadline:** 4/15/2012

Weekly Hours: 37.5 **Shift:** Day

Salary: $25.54 - $42.14 **Full / Part Time:** Full Time

Requirements This is an incredible opportunity for a solid waste leader to work with one of the most progressive solid waste programs in N.C. The City of Asheville has the best recycling program in North Carolina based on the North Carolina Institute of Government's Annual Benchmarking Study. The City recently implemented a single-stream recycling program and is looking for innovative ways to reduce solid waste going to the landfill. The Solid Waste Manager works closely with the Office of Sustainability to improve our recycling/waste reduction program called "Zero Waste AVL." The Solid Waste Manager will not only work with a motivated group of employees but will have the opportunity to creatively improve service delivery.

The successful candidate must be an excellent leader and communicator. Great customer service skills are a must. A Bachelor's degree in waste management or a related field, with a Master's degree preferred, 5 to 7 years of progressively responsible solid waste experience including supervisory experience, grant writing, report preparation required. Equivalent combination of training and experience required to perform the essential job functions.
