

**Proposed A-frame Sign Guidelines for Biltmore Village (Addendum to Book 1
General Design Guidelines and Policies Chapter 6, Guidelines for Signage)**

One portable A-frame sign is allowed per business in addition to other approved signage.

A-frame signs shall be a minimum of 28" tall but shall not exceed 48" in height, and shall be a minimum of 18" in width, but not exceed 24" in width.

A-frame signs may be located in the planting strip between the sidewalk and the street, adjacent to the business that is placing the sign.
