

City Council Public Safety Committee (PSC)
Downtown Public Space Management Forum
Wednesday, June 22, 2016
U.S. Cellular Center Banquet Hall

Today's forum is an ongoing policy discussion between leaders of groups involved in downtown public space management and/or activities taking place in downtown public spaces.

The **general public** is invited to view the forum discussion from the audience seating. At the close of the forum, the Public Safety Committee will move into a formal meeting.

Public Comment will take place during the formal Public Safety Committee meeting.

Thank you for your interest in the management of public space in Downtown Asheville.
