City Council Public Safety Committee (PSC)
Downtown Public Space Management Forum
Wednesday, June 22 3pm
U.S. Cellular Center Banquet Hall

The PSC will host a forum to consider updated City staff proposals regarding Downtown Public Space Management. The proposals follow work with and input from a stakeholders group that included representatives from businesses, residents and street performers.

While details regarding the agenda and format are being finalized, it is anticipated that Chairs of several Boards/ Commissions as well as regular members of the stakeholders group will be invited to participate in the discussion. Chairs will be asked to provide input based on its respective body's perspective.

Immediately following conclusion of the Forum, the PSC will meet to consider taking action or providing staff direction. It is anticipated that opportunities for public comment will be available at the PSC meeting.

The agenda along with information on the updated staff proposals will be sent in advance of the Forum.

Thank you for your interest and input into the vitality of the Downtown!
