

## STAFF REPORT

To: PED Committee Date: January 20, 2015  
From: Cathy Ball, PE, Executive Director  
Via: Gary Jackson, City Manager  
Subject: Riverfront Development Office

Review: In order to effectively manage the programs and projects happening in the river, staff has developed a Riverfront Development Office headed up by Stephanie Monson-Dahl. Stephanie will be serving as the Riverfront Office Director. She will be responsible for coordinating City staff and projects in the riverfront. Several member of City staff from various departments will work together in a cross-functional team ti ensure that the redevelopment of the riverfront is a success.

These staff members will still reside in their respective departments but will collaborate on their projects in the riverfront.

The cross-functional team structure is attached.

Staff would welcome any comments. No action is needed by the committee.

### Next Steps

We will be communicating this change to City staff, Riverfront Commission and public. Additionally, work space is being created on the 5<sup>th</sup> floor of City Hall for this team to collaborate.
