

## Before Starting the Project Application

HUD strongly encourages ALL project applicants to review the following information BEFORE beginning the application.

### Things to Remember

- Download and review the detailed instructions along with other resources available online at [www.hudhre.info/esnaps](http://www.hudhre.info/esnaps) to help successfully complete the application.
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD through the HUD HRE Virtual Help Desk, which is accessible online at [www.hudhre.info/helpdesk](http://www.hudhre.info/helpdesk).
- Project applicants are required to have a Data Universal Numbering System (DUNS) number, and an active registration in the Central Contractor Registration (CCR), in order to apply for funding under the Continuum of Care (CoC) competition. For more information see the FY2012 CoC NOFA.
- To ensure that applications are considered for funding, all sections of the FY2012 CoC NOFA and the FY2012 General Section NOFA should be read carefully, and all requirements and criteria met.
- Before completing the project application, all project applicants must complete or update (as applicable) the applicant profile in e-snaps.
- Carefully complete the application and ensure that it meets the requirements of the FY2012 NOFA and the interim CoC Program regulations, effective August 30, 2012. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant.
- For legacy S+C projects requesting renewal funding, the number of units requested for each unit size in the project must be consistent with the number of units indicated on the CoC's HUD-approved FY2012 Grant Inventory Worksheet (GIW).
- For legacy SHP projects requesting renewal funding, the total budget request must be consistent with the annual renewal demand (ARD) listed on the HUD-approved FY2012 GIW. If the ARD is reduced through the CoC's reallocation process, the budget request must be reflected accordingly.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to the CoC Program and application requirements set forth in the FY2012 NOFA.

## 5B. Project Participants - Subpopulations

### Instructions:

In each white field list the number of persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the following three charts according to their respective household types. For each household type included on the previous form, 5A, applicants must fill in at least one cell on the corresponding chart on form 5B.

Please note that these categories have changed as of the implementation of HEARTH and the new CoC regulations. Most significantly, a new age range of 18 to 24 has been included to capture the expanded HUD definition of Youth as persons under the age of 25.

Chronically Homeless Non-Veterans: Enter the total number of persons who meet the HUD definition of chronically homeless but who are not veterans.

Chronically Homeless Veterans: Enter the total number of persons who meet the HUD definition of chronically homeless and who are veterans

Non-Chronically Homeless Veterans: Enter the total number of persons who are veterans but who do not meet the HUD definition of chronically homeless.

Chronic Substance Abuse: Enter the total number of persons who meet the definition for chronic substance abuse.

Persons with HIV/AIDS: Enter the total number of persons with HIV/AIDS

Severely Mentally Ill: Enter the total number of persons who meet the definition of severely mentally ill.

Victims of Domestic Violence: Enter the total number of persons who are victims of domestic violence.

2. Income Measure: (required to choose one for SSO component types)

(If non-Street Outreach but with a housing related goal only)

a. Persons age 18 and older who increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private.

OR

b. Persons age 18 through 61 who increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

3. Among persons who entered with an unmet need associated with a condition listed below, indicate how many received the services for that condition by the time they exited? (required for SSO component types if Street Outreach)

Consider all participants that your project might serve over the next 12 months. Fill out each row as each condition is applicable for the project's population. Leave fields blank in rows for conditions that are not applicable to the population being served.

For each measure, fill in the blank cells according to the following instructions:

## 7I. Summary Budget

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to the Total Requested for Grant Term for Admin, Cash Match, and In-Kind Match.

**Admin (Up to 10%):** Enter the amount (\$) of requested administration funds. The request should match the amount identified on the HUD-approved FY2012 GIW. The grant will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an ineligible amount is entered, the system will report an error and prevent application submission when the form is saved.

**Cash Match:** (required) Enter the total amount of funds (\$) that the applicant will use for the project provided by sources other than the CoC program grant.

**In-Kind Match:** (required) Enter the total dollar value of non-cash resources that the applicant will use for the project provided by sources other than the CoC program grant.

**Total Match:** This field will automatically calculate the total combined value (\$) of the Cash and In-Kind Match. The total match must equal a minimum of 25% of the request listed in the field "Total Eligible Costs Requested" minus the amount requested for Leased Units and Structures. There is no upper limit for Match. If an amount less than 25% is entered, the system will report an error and prevent application submission when the form is saved.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The total values are automatically calculated by the system when you click the "Save" button.
