Background

Graffiti vandalism hurts our community and comes at a great cost.

With guidance from the community, a 3-step Graffiti Clean-up Initiative has been developed to fight graffiti vandalism in the city of Asheville.

The Plan in Summary:

1. New civil penalties (in addition to criminal penalties) for graffiti vandalism. Fines up to \$1000.
2. 90-Day Intensive Clean-up Program
3. Continued city government assistance in coordination of private property clean-up
