Footnotes:

1. For Multi-occupancy buildings, other than residential or institutional, fees are per occupancy.
2. For single buildings where there are more than four occupancies, all occupants agree to a continuing inspection date, and a single invoice is paid through the building owner(s) or agent, a 33.3% discount on the first inspection fee is available. NO discounts are available on reinspections due to non-compliance.
3. For multiple buildings owned by the same owner(s) the fees are per building as defined by the NC State Building Code.
4. Subsequent reinspections beyond the second reinspection with violations not cleared will result in doubled fees with each necessary reinspection of continuing violations, with no fee cap.
5. High-rise buildings shall be assessed a fee for the common use areas per section C5.
6. Inspections will match the State mandated minimum inspection frequency. The Fire Chief can authorize a specific occupancy classification to be inspected more frequently, but not less frequently.
7. At the time of the periodic inspection for the occupancy or premise operation, if an operational permit is required, that permit fee is included with the periodic inspection fee for that permit type.
8. Occupancies that are current with fire inspection fees as outlined above are not charged staff time for staff fire safety training. Occupancies that are not current or not covered by the above fee schedule will be charged according to the hourly rate fee schedule for staff fire safety training.
9. Asheville City public schools are inspected every six months, as required by state statute; however, these fees are billed on an annual basis. All Buncombe County owned school buildings are inspected by Buncombe County Government.
10. Premises, complexes, and/or uses that are not covered by the above fee schedule will be charged according to the hourly rate fee schedule for the specialist rank.
11. Large assembly occupancies used primarily for worship and that are not used for exhibition or display purposes are inspected on a 36 month schedule regardless of occupant load, in accordance with the North Carolina State Fire Code.
12. Parking garages, greenhouses, sheds, stables, tanks, and towers will be charged according to the hourly rate fee schedule for the specialist rank.
13. Accessory buildings, such as clubhouses, maintenance sheds, etc, are inspected independently based on their occupancy type.
14. Charges for standby personnel and/or equipment shall be charged per section F and G. Permits that are fee exempt or pay a reduced are also exempt or pay a reduced fee for these services.
