

Organic Lawn Care Workshop

Natural Lawn and Landscape Management in Asheville, NC

Wednesday
August 10th

Registration: 6:00pm

6:30 - 8:30pm

Center for Graduate Studies of Asheville
Lenoir Rhyne University
2nd Floor Boardroom

36 Montford Ave
(above the Chamber of Commerce)
Asheville, NC 28801

Learn how you can have a beautiful lawn without toxic pesticides!

The workshop will focus on a **Systems Approach to Natural Turf Management**, which integrates three concepts: an understanding of the soil and its biomass; sound management techniques; and the use of natural, organic products. All attendees will have the chance to talk to a national expert and ask questions.

Don't miss this opportunity to hear from the nation's expert on lawn and turf care!

Workshop Facilitators:

Chip Osborne, president of Osborne Organics, has over 20 years experience creating sustainable and healthy landscapes, and 40 years experience as a horticulturist.

Jay Feldman, director of Beyond Pesticides (founded in 1981), member of the National Organic Standards Board (2010-2015) is an expert on pesticide effects and alternatives.

Sponsored by:

Beyond Pesticides, Asheville Alternatives to Pesticides Coalition, City of Asheville Parks and Recreation Department, and Toxic Free NC
