Phone: 828-259-5617 Fax: 828-259-5832

Website: [www.ashevillenc.gov](http://www.ashevillenc.gov)

### Capital Projects Management Division (CPMD):

The majority of CPMD's projects revolve around transportation infrastructure, but the division also assists other departments in their contract and project management needs.

Annual contracts include retaining walls, greenway installation (mixed use path), and new concrete sidewalk, asphalt resurfacing, pavement markings, sidewalk maintenance and bridge maintenance.

Annual purchases include asphalt, concrete, stormwater pipe and junction boxes, trees, and other allied construction material.

Land surveying equipment, large format plotters, scanners and computer aided drawing software are used and maintained daily.
