Email: jcastle@ashevillenc.gov | **Phone:** (828) 259-5702

Fleet Management is responsible for the acquisition, maintenance, and disposal of the City's fleet of over 875 vehicles and equipment.

Here are examples of items that Fleet Management procures:

- Vehicles and municipal-type equipment
- Body shop repairs are contracted out
- Heavy truck tire repair and installation
- Vehicle and truck towing
- OEM and aftermarket vehicle and truck parts

Facility Maintenance Division: Tony Rathbone, FM Division Manager

Email: trathbone@ashevillenc.gov | **Phone** (828) 778-0335

Facility Maintenance is responsible for building maintenance & construction of all City-owned facilities. Facility Maintenance purchases a variety of materials and components in order to keep essential City operations within these facilities functioning, which would include the following examples:

- Electrical supplies including lamps, wire, breakers, and fixtures
- Plumbing supplies such as fixtures, repair kits, and flush valves
- HVAC components including motors, compressors, capacitors
- Air filters, ceiling tiles, carpet tiles, paint, locks, and doors
- Contract services for HVAC equipment, roofing, electrical, carpet installation, painting, demolition, overhead door service, generator maintenance, and building construction & repair work
