Planning and Development provides sound, professional land use guidance as well as the highest level of technical and customer service to achieve safe and healthy residential neighborhoods and sustained economic growth. The department promotes the orderly, harmonious use of land and improved quality of life for Asheville's diverse community and future generations.

The department encourages sustainable development throughout the City and is involved with Site Plan and Subdivision Review, Rezoning Analysis, Downtown Design Review, Zoning Amendments, Form Based Codes, Historic Preservation, and Comprehensive and Small Area Planning.

Please list by divisions if necessary to help vendors understand better what you do:

- Planning Services
- Urban Design
- Historic Resources

Here is what we purchase and contract for over the course of the fiscal year:

- Professional planning and urban design services
- Office supplies
- Printing services
- Office equipment replacement
- Food for meetings
