

MULTIMODAL TRANSPORTATION COMMISSION GOALS 2015

The Asheville Multimodal Transportation has developed 5 goals for 2015. Each goal will be handled by a sub-committee that will report on their progress at MMTC meetings:

1. Funding Advocacy

Members: Julie, Bruce, Jim and Don

- a. Issue and advocate for White Paper
- b. Identify grants and other funding opportunities
- c. Develop public-private partnerships

2. Communication & Engagement

Members: Terri

- a. Draft communication plan to promote MMT
- a. Implement plan
- b. Continued contact with and learning from MMT Symposium

3. Safety

- a. Bike/Ped Task Force is already handling Watch For Me NC, traffic calming, speed reduction and Bike-Friendly & Walk Friendly efforts.
- b. Signal crossing (Till)
 - Prioritize signal issues
 - Review signals

4. Policy Analysis

- a. Participate and provide input to Comprehensive Plan (Jim)
- b. Participate and provide input into the Parking Plan (Bruce)

5. Coordinate with DOT

Members: Bruce, Julie and Don with support from Gwen

- a. Work with Ken regarding communication plan with the City, MMTC and DOT
- b. Create subcommittee to review 1-26 Connector DEIS and work with City Council members involved in this process
